ABSENT: The Executive Engineer, Kinta (Major H. F. Waters, M.C.), Mr. R. P. Brash, J.P., Mr. J. A. S. Jennings, J.P., and Towkay Lee Ah Weng, J.P.

 - (b) Eighteen plans as per register;
 - (c) Four hundred and fifteen notices, eighty-six applications for prosecutions and five applications for authority under section 11 of "The Sanitary Boards Enactment, 1916."

4. In connection with the return of water consumption Mr. H. J. Cooper asks to be informed as to the reason for the very greatly reduced quantity shown under Batu Gajah. The Chairman promises to obtain the information.

5. Shelter for motor-cars, Ipoh Railway Station: The correspondence having been circulated the Chairman reads the views expressed therein by the members of the Board. It is eventually decided to leave the matter for any further action required in the hands of the Perak Motor Union from whom the application originated.

6. Authentication of amendments in assessment registers: The Chairman reads audit queries insisting on the compilation of a list of the amendments appearing in the assessment registers for 1921 or in the alternative that each alteration therein be signed by two members of the Board. In the opinion of the Board the certificate signed under section 25 of "The Sanitary Boards Enactment, 1916," is sufficient and the Board supports the Chairman in the replies he has made to the queries.

7. Commission for collecting water-rate: The Chairman informs the Board that he has been notified that the rate of commission to be paid to the Board in 1924 for collecting water-rate is to be $7\frac{1}{2}$ per cent. instead of $3\frac{1}{2}$.

8. Application for a water service to the Tamil burial ground, Batu Gajah: Mr. H. C. Bathurst explains the necessity for such a service and states that not more than about 75 gallons per month would be required. In view of the small quantity the Board offers no objection.

9. Hawkers of foodstuffs near the Ipoh Hospital: Owing to complaints of patients being able to procure unsuitable articles of diet from hawkers it is proposed under by-law 91 to exclude hawkers from the area covered by a certain radius of the hospital. The Board leaves the matter to be dealt with by the Chairman after consulting the Medical Officer of the hospital and the Chief Sanitary Inspector.

10. Grazing grounds for cattle in or near Ipoh: The Chairman invites members to express their views as to the desirability of providing grazing grounds in the form of revocable reservations. After some discussion it is decided to take no action for the present.

11. Assessment for 1924: The Chairman brings to notice the procedure laid down in "The Sanitary Boards Enactment, 1916," for arriving at assessment from year to year. He also points out that under section 27 new assessment is not compulsory for each year. The Board decides that for the year 1924 the assessment is to be arrived at in conformity with section 27 of the Enactment.

12. Lease of bath-houses, 1924: The Chairman states that he has been requested to ask the Board to consider whether it is advisable (a) to let bath-houses including a free supply of water, or (b) make the lessee pay for water at the special rate of 10 cents per 1,000 gallons. The Board decides to adopt the latter alternative.

13. Petition from stall holders, pork market, Ipoh: The Chairman mentions that he is in receipt of a third petition from the stall holders, pork market, Ipoh, protesting against the continuance of the pork-shop at No. 25, Leech Street. The Board agrees with the Chairman's suggestion to refer the petition to Messrs. Goodman and Foo Wha Cheng who still act as a sub-committee in matters affecting the public markets.

14. The Board adjourns *sine die*.

No. 5724.—SANITARY BOARD, KUALA LUMPUR.—

Minutes of an ordinary meeting of the Kuala Lumpur Sanitary Board held at the Sanitary Board Offices on Wednesday, 15th August, 1923.

PRESENT: The *Chairman* (Mr. C. W. Bresland), the Executive Engineer, Town (Mr. H. T. Nicholas), the Protector of Chinese (Mr. D. Richards), the Collector of Land Revenue (Mr. G. A. de C. de Moubray), Dr. M. J. Ahern, Dr. E. T. MacIntyre, J.P., Mr. H. B. Talalla, Mr. Khoo Keng Hooi, Mr. M. Cumarasamy, Haji Mohamed Taib, J.P.

ABSENT: The Health Officer (Dr. F. V. Jacques), the Chief Police Officer (Mr. J. P. Cusaden), Mr. D. Freeman, Mr. J. L. Sime, Mr. Yap Tai Chi.

IN ATTENDANCE: Mr. N. MacPhail for Secretary and representative from *Malay Mail*.

1. Minutes: The minutes of the last meeting are confirmed.

2. Commission paid to Federated Malay States Railway: The Chairman intimates that the arrangement with the Railway Department is that the Board pay a commission of $7\frac{1}{2}$ per cent. on Sanitary Board fees collected by the Railway Department from its employees. Payment is made by the Railway half yearly in advance. The amount of commission suggested originally was 10 per cent. but this had later been fixed at $7\frac{1}{2}$ per cent. He thinks that in a large department like the Railway where changes among the employees are frequent it would be difficult for the Board to collect all monies due and considers the principle of paying commission to the Railway sound.

Mr. Khoo Keng Hooi is of opinion this rate is much too high and considers, in view of the introduction of the cash deposit system, the arrangement with the Railway Department should be cancelled.

The general opinion of the Board is that the arrangement with the Railway Department be abandoned and the Board collect the fees in the usual way. The Chairman promises to write to Government to this effect.

3. Pillion riding: The Chairman informs the meeting he has communicated with Government on the question but has so far not yet received a reply.

4. Late Mr. P. A. Fonseka, Sanitary Inspector: Mr. Khoo Keng Hooi refers to the death of Mr. Fonseka and the excellent services rendered by that officer. He moves a resolution of condolence be sent to the widow and family. Dr. MacIntyre endorses the remarks of Mr. Khoo Keng Hooi. The resolution is adopted unanimously.

5. Collapse of wall at 29, High Street: A report by the Executive Engineer, Town, regarding this is read for the information of the Board.

6. Vagrants at Gombak River bridge: The Chairman informs the meeting that he has brought this matter to the attention of the Police Department and reads the observation by the Chief Police Officer thereon. After discussion in which the Chairman states that the vagrant ward at the gaol is full, it is agreed to ask the Chief Police Officer to keep vagrants off the streets as much as possible, to communicate with the authorities of the "Tai Wah" ward and Medical Officer in charge of the District Hospital to assist by taking such action as will as far as possible prevent vagrants from these places coming into town.

7. Vote of Anti-Malaria Board: The Board decides that the Malaria Advisory Board be requested to send their estimates and schemes regularly to the Board in future. The Chairman promises to enquire from the Senior Health Officer whether it is considered that the increase in the malaria death-rate is due to retrenchment in the vote of the Malaria Advisory Board.

8. Financial return: This is submitted for the information of the members.

9. Plans: The following plans are passed:

Cubicles, 115, Batu Road;

Alteration, lot 37, section 58, Ampang Road;

Alteration, lot 1, section 55, Brickfields Road.

10. Ampang-Cross Street houses application for closing order: The Chairman informs the meeting that the application for closing order in respect of houses Nos. 1, 3, 5, 7, 11 and 15, Cross Street, had been heard and that the Magistrate had refused to grant the order. The cases in respect of the other houses had not been heard yet but he is of opinion that the decision in respect of these six houses would apply to the others. He has consulted the Legal Adviser as to the advisability of appealing against the decision and states that the Legal Adviser considers that on the Magistrate's judgment it would be useless to appeal.

The Collector of Land Revenue enquires whether the fact of there being no medical evidence adduced by the respondents might not give grounds for appeal.

It is decided to drop further proceedings and await new legislation under the Town Planning Enactment. The Chairman promises to bring the point raised by the Collector of Land Revenue to the notice of the Legal Adviser.

11. Cash deposit system: The Chairman states that the Secretary, Mr. Boardman, has ascertained the practice prevailing in Singapore and, in view of the absence of several members, suggests consideration be postponed until a full meeting of the Board. The Board agrees.

No. 5725.—SANITARY BOARD, KLANG.—

The minutes of a meeting of the Klang Sanitary Board held at 10 a.m. on Saturday, 18th August, 1923.

PRESENT: The *Chairman*, Sanitary Board (Mr. S. W. Jones), the Executive Engineer (Mr. W. H. Morgan), the Health Officer (Dr. W. J. Moir), the Harbour Master (Lt.-Com. R. C. Hayes, O.B.E., R.N.), the Medical Officer (Dr. H. P. Hodge), the Assistant Commissioner of Police (Mr. H. B. Langworthy), and Mr. K. A. Vaner.

ABSENT: Dato Stia di Raja (Inche Abdul Razak, J.P.), Dr. M. Watson, Mr. H. A. Wootton, J.P., and Towkay Goh Hock Huat.

1. The minutes of the previous meeting are read and confirmed.
2. An application from the Dreadnought lamp lighting contractor for additional increase in the rate of pay per lamp is considered: the contractor's involved methods rendering a direct measurement of the amount of kerosene previously used impossible, it is decided to accept the amount of oil used in the quarantine camp as a standard and thereby calculate the difference between the cost of kerosene previously used and that of petrol now used.
3. Decided to enforce the closure of all wells in section 31, if within five chains of a road carrying a stand-pipe, whatever their condition may be.
4. After discussion as to the present low rents of the dhoby-houses, it is decided to call for tenders for the lease of dhoby-houses in 1924.
5. Decided that persons intending to build atap houses must submit plans as well as take out licences under by-law 35.
6. A letter from the Secretary to Resident, Selangor, regarding a suggested amendment to section 12 of the Sanitary Board Enactment, to allow different assessment rates in different parts of the same Sanitary Board area, is read and discussed. The Board is in favour of the principle involved in the proposed amendment, but wishes to scrutinize a scheme for applying the proposal to Klang before expressing complete approval. The Chairman promised to produce a scheme.
7. The Assistant Commissioner of Police raises the question of obstructions to traffic created by street-stalls, and it is decided that the Chairman and the Chief Sanitary Inspector shall visit the stalls concerned before further action is taken.
8. The Medical Officer asks that a Dreadnought lamp may be placed on the approach road from Club Road to the District Hospital. The Chairman decides to visit the spot before a decision is arrived at.
9. Decided to order demolition of the five shop-houses on Kuala Langat road.
